would put this bill in pretty good shape. This is the one that said, no law enforcement officer may own m--up, excuse me, let's start that over again. Provided that any law enforcement officer may own up to 5% of the stock in any organization holding a liquor license which receives its principal revenue from a source other than the sale of alcoholic beverages. Such officer shall not participate in any manner in the management and operation of the business. Now that one is okay with Senator Whitney and I have given a copy of it to Senator Chambers and Senator Carpenter and if there's anybody got any questions, I'll be glad to answer them on that amendment, otherwise I'd adopt--I move the adoption of this amendment in lieu of the other one.

PRESIDENT: Now, Senator Goodrich, do you want to make a unanimous consent motion to withdraw the other half of your amendment?

SENATOR GOODRICH: Yes, I so move.

PRESIDENT: Alright, are there objections to Senator Goodrich withdrawing the other half of his motion which was amending the Schmit motion this morning? Any objections to that? Hearing none, so ordered and that other half then is withdrawn. That's, the reason for that was because we had to divide the question. Alright, now then you were making a motion in lieu--

SENATOR GOODRICH: I move the adoption of this amendment.

PRESIDENT: Alright, we still have the issue before us then of the Goodrich amendment now to LB 315. Is there a need for further discussion of that amendment? Question is shall the amendment then be adopted? All those in favor will vote aye. All those opposed will vote no. You are voting on the Goodrich amendment now to LB 315 on select file. That motion does take 25 votes for adoption. Voting on the Goodrich amendment to LB 315. I suppose it's alright for the Chair to observe this is a compromise amendment that was whipped up between what Senator Goodrich, Senator Whitney and someone else--

PRESIDENT: Thank you. Well, it's a little redundant for the Chair to remind you that this motion takes 25 votes on select file, but I am.

SENATOR GOODRICH: We need 4 more votes. Unless I get them, I have to call--make, move for a call of the house.

PRESIDENT: Well, are you all through voting?

SENATOR GOODRICH: Move, move for a call of the house.

PRESIDENT: Senator Goodrich asking for a call of the house. Clerk will clear the board. The next bell, please indicate your preference for a call of the house. All those in favor of a call of the house, vote aye. All those opposed vote no. Motion is for a call of the house. Motion is for a call of the house. Have you all voted? Clerk will record.

CLERK: 14 ayes, 12 nays to go under call.

PRESIDENT: Very good. We are under call of the house. The Senators will take their seats. At the next bell, please
